Best Ball: Each will play their own ball for all 9 holes. After the round, the golf shop staff will apply handicaps to determine the lowest **NET score** on each hole. **One Net score per hole will be used for the Team Best Ball Score.**

Alternate Shot: Select a player tee off on the 1st hole and alternate shots for the entire round (all 18 holes.) The last player to make a stroke will have their partner tee off on the next hole. After the round, the golf shop staff will apply the team handicap to determine the team's **NET score**.

Scramble: Each player tees off on each hole. The best location is selected and both players play their next shots from that location. This process is repeated until the ball is holed. After the round, the golf shop staff will apply the team handicap to determine the team's **NET score**.
