(SP) = Single Points

(DP) = Double Point

EVENT DESCRIPTIONS

Any 3 Club - Nine-hole event to kick off our golf season. This event is all about the fun challenge of playing the entire nine-hole round with only 3 clubs of your choice. There are hole prizes, a skins game, and an award for guessing your score.

Pick-a-Pin Scramble – A typical scramble format where all players will hit from each location selecting the best shot and repeating the process until the ball is holed out. In this case there will be two pins on each green, and the team will choose which pin they putt to. This event is open to the public.

Red Tee Challenge - (typically a Double Point Event) This is an 18-hole stroke play event with competitors placed into one of three or four flights based on handicap (USGA). Stroke play within the brackets will be based on gross scores. All players will play from the Red Tees giving many players a fresh look at the golf course.

Chicago Stableford Team Event - (may be a Double Point Event) This is an 18-hole stroke play team event with competitors placed into USGA handicap balanced foursomes. Each golfer starts with a negative point score based on their handicap. Then points are awarded on each hole; 1 point for a Bogey, 2 points for a Par, 3 points for a Birdie, 4 points for Eagle and 5 points for a Double Eagle. The total number of points earned by the team compared to the other team's total to determine the winning team.

TC Ryder Cup 1 & 2 – Two Club Members will pick teams from Club members signed up to form two teams. Each team will then pair golfers to form 2-person teams to play nine-hole matches against the other team. A combination of Scramble, Chapman Alternate Shot, & Best Ball formats may be used. The team with the most match points will win bragging rights over the losing team.

Club Championship – (Double Point Event) This is a 36-hole stroke play event with competitors placed into one of three or four flights based on handicap (USGA). Stroke play within the brackets will be based on gross scores. All winners are recognized at the end of year Awards Banquet.

Spanferkel Tournament - (Double Point Event) This annual event is open to the public. Events include individual and team prizes. Club points will be awarded to club players relative to their finish to other club members. This is the club's main fundraiser. Money raised is used to sponsor Junior Golf and is used to award scholarships to local high school seniors.

Fall Road Trip - (typically a Double Point Event) Each year the club schedules a golf outing at another golf course, typically out of town but within about an hour's drive time. This is a handicapped stroke play event with a skins game. Prizes and points are awarded for 3-4 flights of players grouped by handicap. Members are encouraged to invite guests to fill out the field.

Cash Cup / Bust-up – (Double Point Event) An 18-hole stroke play event with larger payouts than other events. Members will be placed into flights based on handicap (USGA). Stroke play within the brackets will determine winners for both gross and net scores.

Match Play (Singles) - All entrants are placed into 3 or 4 flights based on handicap (USGA). Play is head-to-head against a player of similar ability in an 18-hole handicapped match. Winners advance to the next round until a champion is crowned in each bracket. Winners are recognized at the end of year Awards Banquet.

Match Play (Doubles) - The two-person teams are placed into a single bracket. Play is team against team in a handicapped 18-hole best ball match. The winning teams will advance to the next round until the champion is crowned. Winners are recognized at the end of year Awards Banquet.
